# BLOOMING ROOTS THE BLOOM REPORT

*Warmth, growth, and community — even in the coldest seasons.*

## Director's Corner

Hi Mom ❤️,

As we step into a new year, we're reminded that blooming isn't only for the spring. Growth can happen even in winter — quietly, gently, and beautifully.

This quarter, BLOOM continues to walk alongside single mothers as they build businesses, find support, and nurture hope. Thank you for being part of this growing community. You matter here.

## Winter Highlights

Here's what blossomed this season:

- Christmas in Your Hands supported moms with winter essentials & holiday cash
- SNAP Back Thanksgiving Drive provided Thanksgiving food boxes
- New moms joined BLOOM through our initiatives & referrals
